

ROYAL BROMPTON HOSPITAL

New facilities
for specialist care

THE ROYAL BROMPTON HOSPITAL FINAL DESIGN EXHIBITION

In response to pressing clinical need, Royal Brompton & Harefield NHS Foundation Trust is progressing plans to create new facilities on its Sydney Street Campus including specialist inpatient respiratory care and a modernised Imaging Centre along with other improvements.

Please come along to view amendments that the Trust has made to the proposals based on feedback from the Royal Borough of Kensington and Chelsea, local residents, organisations and statutory bodies.

Please do come along to find out more about the project and meet members of the project team.

ROYAL BROMPTON HOSPITAL

New facilities
for specialist care

Drop-in exhibition

In July 2016 Royal Brompton & Harefield NHS Foundation Trust submitted three linked planning applications to the Royal Borough of Kensington and Chelsea seeking planning consent for the creation of new facilities on its Sydney Street Campus via an enabling development of the Chelsea Farmers Market and 117 - 123 Sydney Street.

Following feedback from the Royal Borough of Kensington and Chelsea, local residents, organisations and statutory bodies the Trust has made amendments to the submitted plans.

The Trust would like to invite you to view the final design proposals. Members of the team will be on hand to answer any questions.
