New facilities  
for specialist care

## THE ROYAL BROMPTON HOSPITAL COMMUNITY CONSULTATION EVENTS

Royal Brompton & Harefield NHS Foundation Trust is progressing plans to re-provide specialist inpatient respiratory care in a new wing on the Sydney Street campus, in response to pressing clinical need.

We would like to invite you to find out more about the proposals and to take part in the consultation process.

Please do come along to find out more about the project, feed back your views and meet members of the project team. For more information, please contact the Royal Brompton team at Soundings on:
